Dear Jay,

I wanted to write to say thank you not only for providing such a fun-filled and interesting day for young and old alike....but for your kindness and generosity in donating your time for my community outreach project. Your help and cooperation in planning it was also invaluable.

Everyone really enjoyed the day and learned a lot! It is people like you who make a difference in the communities we live in and in this case, seven children have experienced something they otherwise never would have.

I am enclosing some photos to remember the day.

Again, many thanks!

Best regards,
