Dear Mr. Johnson:

Enclosed please find a check in the amount of \$6,000 to serve as payment of your invoice number J037 dated 9/19/00 for teambuilding for the Merck Pharmacology Retreat 2000.

We have received very positive feedback from our group regarding the teambuilding portion of our meeting, in fact, most have agreed that it was the most successful teambuilding event they have participated in!

Thanks again for helping me organize this. We will be in contact next year for Pharmacology Retreat 2001!

Regards,
