Dear Jay,

Thank you for all your assistance in making my meeting for Sun Microsystem's Marketing Dept. a successful one. The team building program you put together for us went over very well with my bosses and the entire group. We all learned from the exercises we did. Also, the seminar you gave on managing work and personal life had an impact on everyone. Each individual approached me later in the day and said your speech really hit home. Maybe next meeting we can participate in a low ropes program. Thanks again and we will be in touch to make a followup appointment soon.

Sincerely,
